

# Quincy Public Schools Last Day of School Update June 24, 2022

Dear Quincy Public Schools Parents, Guardians, and Staff,

As this school year comes to a close, we want to say how thankful we are for the many positive achievements and outcomes for Quincy Public Schools during this past year. While the year began with uncertainty, thanks to the dedication and collaboration of our administrators and staff, the return to in-person schooling was accomplished safely. Over the course of the school year, we were able to strengthen relationships with students and families, successfully re-engage students academically, and restore many in-person events, culminating with the graduation of the Class of 2022 before hundreds of family and friends at Veterans Memorial Stadium earlier this month. We are so grateful for Mayor Koch and City of Quincy departments including Health, Public Works, Natural Resources, Police, and Fire Departments for their support throughout the year.

Most recently, thanks to the collaboration of Mayor Koch, the Quincy City Council, and the Quincy School Committee, Quincy Public Schools has been funded for the 2022-2023 school year through a generous appropriation that provides level services in all areas, retains our favorable class sizes, and allows for growth for Career Vocational Technical Education programs, English Learners, Special Education, and Social-Emotional Learning programs. Summer programs will begin the week of July 4 and confirmation emails have been sent out to the families of participating students.

We wish you a safe and relaxing summer with your family and friends and look forward to welcoming you back for the new school year on September 7, 2022.

Sincerely,

***Kevin W. Mulvey***  
Superintendent of Schools

***Erin Perkins***  
Assistant Superintendent

*The City of Quincy presents*

# A Patriotic Celebration *on the* **COMMON**

**Saturday, July 9, 2022 | 6-8 p.m.**

**Hancock Adams Common**

Quincy caps off our city-wide “Patriotic Celebrations” from June into July with Tom LaMark and his Orchestra for an evening of Patriotic and Great American Songbook music. Joining his orchestra is Quincy born Elaine DeLorenzo Spitz as the special guest vocalist!

**Sit & Relax** Bring your own blanket or chairs and picnic baskets. Beer and wine can be purchased from *Decanted Wine Truck*.

**Dine downtown!** Make it an evening affair and dine in one of the many restaurants in downtown Quincy.

**QUINCY400**  
1925-2025 ★ BIRTHDAY

**Up Next in August: Multicultural Folk Festival *on the* COMMON**

★ ★ ★ ★ ★ ★ ★ Sunday, August 7, 2022 | 4-8 p.m. ★ ★ ★ ★ ★ ★ ★

## The Commonwealth of Massachusetts

### OFFICE OF THE DISTRICT ATTORNEY FOR THE NORFOLK DISTRICT

**MICHAEL W. MORRISSEY**  
DISTRICT ATTORNEY

45 SHAWMUT ROAD  
CANTON, MA 02021  
(781) 830-4800  
FAX (781) 830-4801

June 15, 2022

Dear Norfolk County Parents & Caregivers,

As we approach the end of the school year and the start of summer vacation, I want to take this opportunity share important information to prevent drowning tragedies. As District Attorney, I have seen how quickly a special celebration, family cookout or relaxing weekend by the water can turn into the tragic loss of a child by drowning. Safety latches, fences and gates, approved flotation devices and swimming lessons are all essential precautions, but they should never replace adult supervision around water.

Please join me in doing all we can to prevent child drowning this summer by reviewing this guidance from the American Academy of Pediatrics:

- All children and adults should **learn to swim**. If swim lessons are suspended in your area due to coronavirus, it is important to add other layers of protection until your child can access lessons.
- **Close, constant, attentive supervision** around water is important. Assign an adult 'water watcher,' who should not be distracted by work, socializing, or chores.
- **Around the house, empty all buckets, bathtubs and wading pools immediately after use**. If you have young children, keep the bathroom door closed, and use toilet locks to prevent access.
- **Pools should be surrounded by a four-sided fence**, with a self-closing and self-latching gate. Research shows pool fencing can reduce drowning risk by 50%. Additional barriers can include door locks, window locks, pool covers and pool alarms.
- Adults and older children should **learn CPR**.
- Everyone, children and adults, should wear **US Coast Guard-approved life jackets** whenever they are in open water, or on watercraft.
- Parents and teens should **understand how using alcohol and drugs increases the risk of drowning while swimming or boating**.

Additional information on water safety can be found at [Drowning Prevention Campaign Toolkit \(aap.org\)](http://aap.org).

Wishing you and your family a safe summer,

A handwritten signature in black ink, appearing to read "Michael W. Morrissey", with a long, sweeping horizontal stroke extending to the right.

Michael W. Morrissey  
District Attorney

## SUMMER READING PROGRAM

JULY 1- AUGUST 31, 2022

Sign up online at  
[thomascranellibrary.beanstack.org](http://thomascranellibrary.beanstack.org)  
or by downloading the Beanstack  
app. Read books of different  
genres and track your reading to  
win prizes! You can use this card  
and stickers to track your summer  
reading progress too!

# Read Beyond The Beaten Path

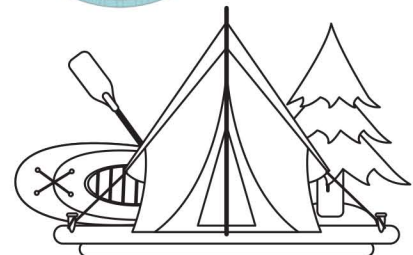

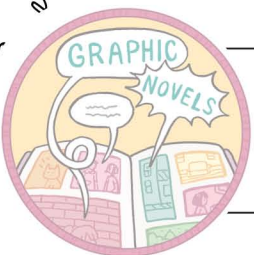

FORGE YOUR OWN PATH THIS SUMMER!  
Make your own trail by starting anywhere.  
Read (or listen to) a book in a genre and add  
the sticker when you are done. Write the title  
of the book in the box. Draw your own path  
among the genres as you complete them.  
Don't forget to sign up on Beanstack to  
get your Trailblazer Banner to decorate!

TRAIL →

color me!

NAME: \_\_\_\_\_

AT THE END OF THE SUMMER,  
you can collect the buttons for your  
Trailblazer Banner for each genre  
completed. With Beanstack you will be  
automatically entered into the raffle on  
September 1. Prizes can be picked up  
starting September 2-Winners will be  
notified by email.

HAPPY TRAILS AND  
HAPPY SUMMER READING!

## **CAMP PHILOSOPHY**

We welcome any player between the ages of 7 and 16, whether an experienced player or newcomer to the game of basketball. Our programs will be tailored to all ages and skill levels with the objective of improving individual fundamentals and proper team play. All campers will be grouped according to age, physical maturity, previous experience, and overall ability. They will be under the personal supervision of coaches who specialize in all areas essential to building a solid basketball foundation.

The instruction will range from the basic fundamentals to advanced skills. Each player will receive concentrated instruction in the areas that he and his coach feel require the most attention. There will be a great deal of emphasis toward individual instruction.

## **GENERAL INFORMATION**

### **Program Includes**

Camp shirt for each player  
1 coach for every 8-10 players  
Team Games Daily  
Individual & Team Stations  
Guest Lectures

### **What to Bring to Camp**

One pair of properly fitted  
basketball shoes  
Athletic socks and shorts  
Lunch/snacks/drinks

### **Supervision & Grouping**

Players will be closely supervised  
at all times by the directors

---

in early August.**

## Hung Gar Kung Fu and Lion Dance Academy Summer Program Kung Fu | Lion Dance | Science | Mythology

ENROLL TODAY AT: [WWW.HUNGGARQUINCY.COM](http://WWW.HUNGGARQUINCY.COM)

PRE-K TO 5<sup>TH</sup> GRADE

### About Our Summer Program

Looking for a summer program to keep your kids active while keeping their minds stimulated? Our summer program incorporates science, mythology, traditional kung fu and lion dance everyday!

Our summer camp is lead by Mr. Springer who is an experienced elementary school teacher teaching science in the Newton Public Schools for many years and now teaches Pre K to 5th grade in Boston Public Schools, with him are Hung Gar Kung Fu and Lion Dance Academy instructors who will serve as the summer program counselors.

#### Science and Mythology

Your children will be discovering mythological creatures and exploring natural sciences. Filled with visuals and interactive, engaging activities such as creating their own ecosystems, designing a Mars base, or maybe even having the opportunity to meet a Leopard Gecko, there are exciting activities throughout every week. Our teacher, Mr. Springer, has been teaching for many years in Newton and Boston Public Schools, and his lessons incorporate STEAM (Science, Technology, Engineering, Arts, and Mathematics) Learning. He is always striving to provide the students with an entertaining, engaging, and educational Theme Study every time.

#### Kung Fu and Lion Dance

Your children are immersed in a rich cultural and traditional experience learning kung fu and lion dance. While kung fu and lion dance are fun, exciting, and dynamic activities, little will they know they will learn much more than just that. Here they will learn how to move their bodies accurately and control and balance their movements and strength. They will build self-confidence and discipline while fostering bonds with their peers. There will be group activities where they will work on teamwork, respect, and learn to be selfless. They will learn self and team perseverance. Kung fu and lion dance works to strengthen one's mind, body, and spirit, while, hopefully, creating life long friendships.

In addition, we will plan on going outside enjoying the beautiful summer weather. Doing fun educational activities both inside and outside. Playing games to foster bonding between peers and making long lasting friends.

Space is limited!  
Enroll today at: [www.hunggarquincy.com](http://www.hunggarquincy.com)
