Members of our club are so thankful for clean water, especially since we learned that 771 million people don't have access to clean and safe drinking water. Would you help us reach our goal to see that by next year, many other children like us can be thankful for the same thing?

We are working towards a goal of raising \$10,000 to sponsor a water project through the organization *Charity Water*. They are on a mission to see the global water crisis end in our lifetime and they motivate and empower kids just like us to help bring about that change. 100% of the money we raise will go towards a water project solution that will provide clean water to an entire community or school. There are a couple ways you can help us!

You can purchase a t-shirt designed by our club for \$25, or you can send a donation of any value to support our cause.

Thank you!

771 MILLION PEOPLE LACK BASIC ACCESS TO CLEAN AND SAFE DRINKING WATER. ATHERTON HOUGH'S "MAKE A DIFFERENCE" COMMUNITY SERVICE CLUB IS ON A MISSION TO CHANGE THAT!

A packed school bus holds about 72 kids. Try to picture that. Got it? Good.

Now imagine ten school buses. That would give you 720 people. Biggest. Field trip. Ever.

Now multiply that by one million! That's almost how many people still drink dirty water.

WHEN A COMMUNITY DOESN'T HAVE ACCESS TO CLEAN WATER, CHILDREN ARE AMONG THOSE MOST IMPACTED. THEY ARE MORE LIKELY TO GET SICK, MISS SCHOOL, AND LOSE TIME THEY COULD BE SPENDING WITH THEIR FRIENDS AND FAMILIES.
