i [Information on SMS text messaging and Short Codes:](#)

SMS stands for Short Message Service and is commonly referred to as a “text message”. Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as “short code” texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you’ve ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/txt for more info.

QHS Senior Night Out Committee FLOCKING!

Flocking is a fun school-community fundraiser in which you request to "Flock" a friend, family member, colleague, etc., by making a \$20 donation to QHS-SNO and complete the flocking form on the website below. A QHS student volunteer will go out each night during flocking season (Fall/Spring) and secretly put a flock of cute plastic flamingos on the lawn of that home. In turn, the family that has been flocked can "Flock It Forward" by completing the same form and choose the next yard in which the flamingos are placed! And so on, and so on, and so on!!! *All proceeds from flocking are used to support the graduating QHS Senior Class year-end activities such as the after prom Senior Night Out and PAC Book Award Scholarships.*
